

# APRIL IS A TIME OF GROWTH!

## Let's Grow The EANE Member Community Together!

---

EANE is proud to help our 1,000+ member organizations build and maintain engaged, well-managed and low-risk workplaces. **This month, we invite our members to spread the word and help us grow our member community!**

### EARN A \$100 VISA GIFT CARD

### FOR REFERRING A NEW MEMBER ORGANIZATION THIS MONTH

We always ask our new members who we can thank for referring them to EANE. EANE will be rewarding members who help build our EANE member community with a \$100 Visa Gift card for every new member they refer in the month of April\*.

Even with the pandemic, EANE's membership community has grown over the past year. We recognize that companies continue to need strong partnerships that provide valuable information, in a timely fashion, that help create the blueprint for your compliance strategy and your employee engagement and communication plans. Many of our new members come to us as referrals from existing members! We appreciate that so much and LOVE when a current member finds so much value in our services that they refer a friend or colleague our way.

April is traditionally the time that our region breaks out of the winter hibernation period as the world turns from grey to green, and everything around us starts growing. The team at EANE thanks you for helping to grow our community of members as we enter this month of rejuvenation and optimism for the season ahead!

Happy Spring!
