REGIONAL HR EXPERTS

Leverage our robust team of HR
and training professionals.

OUR EXPERTS

As a member of EANE, your organization can leverage our robust team of HR and training professionals to find creative solutions for your most pressing employee challenges.

We help our members gain a competitive advantage and develop their employee teams to sustain productivity and growth. EANE creates ongoing personalized relationships and serves as your one-stop Human Resources and training resource. We'll help you develop your most important asset – your people!

We offer over sixty different training topics and our expert training team is available to help customize a program that will deliver your organization measurable results.

OUR MEMBERS

EANE has over 1,000 members throughout the Northeast. Our member organizations range widely in size and have anywhere from five to several thousand employees.

We service a wide variety of industries including human services, health care, education, financial services, manufacturing, retail, distribution, construction, and non-profit.

WE'RE DRIVEN BY OUR VALUES

The entire EANE team is driven by our core values to help businesses in the Northeast reach new success!
We are **customer centric, accountable, creative, self-motivated, and agile.**
