MEMBERS LOVE US, AND YOU WILL TOO!

“We use AAIMCheck for new employee background checks and drug testing coordination. The AAIM resources give us strong guidance on legally putting these processes in place and they made it easy/routine for us to handle a process that we were very uncomfortable with”.

-Linda Moen, EFK Moen, LLC

“As important, the service team who assists us with AAIMTrack and AAIMCheck provide timely and responsive assistance when we are seeking guidance or problem resolution. This is key in helping ensure we don't slow down our recruitment process along the way. Having a thoughtful business relationship and quality service matter to us and we stay because we have that overall with our AAIM partners.
