Summit Workshop Titles & Descriptions

The Impact Accelerator

Adrianna Vaccaro

An immersive, human-centered session designed to help middle managers grow into confident role models. Learn practical strategies to drive performance while building trust, alignment, and engagement across your team.

First Round Pick: Your Leadership Draft Pick Strategy

Kim Dunn

Take a proactive, structured approach to succession planning. This interactive session helps leaders identify emerging talent, prepare future leaders, and build a strong, sustainable leadership pipeline.

Master the Moment: From Instinctive Reaction to Intentional Leadership

Kim Meninger

In times of pressure and change, even strong leaders can default to reactive patterns. Learn the LEADS framework and gain practical tools to respond with clarity, steadiness, and purpose when it matters most.

Turn Your Leaders into Learners

Kris Sortwell

Discover practical strategies that turn leadership training into real, measurable outcomes. This interactive session focuses on building alignment, accountability, and continuous growth across your team.

Leading from the Balcony, Not the Dance Floor

Shannon Mumblo

Step away from constant firefighting and reclaim your role as a strategic leader. Leave with a personalized Strategic Capacity Map and a practical plan to reduce operational noise and focus on what truly matters.

Mission Possible: Elevating Engagement

Sandi Mauro

Learn proven strategies to boost motivation, strengthen morale, and create a culture where people feel energized and connected to their work. Walk away with practical ideas you can apply immediately.

It's Cool to Be Compliant in 2026

John Gannon

Get straight-talk guidance on the employment law decisions leaders face every day. Learn what to do, what to avoid, and how to lead confidently without creating legal exposure.
