

Are Rising Health Insurance Costs Holding You Back?

Is Your Budget or Size Limiting the Benefits You Can Offer?

Introducing the **Member Advantage Benefits Cooperative** (MABC), powered by Alera Group — NOW OPEN for EANE members with 2-200 employees.

The [Member Advantage Benefits Cooperative](#) (MABC) gives EANE members the ability to band together for stronger purchasing power. By joining forces, employers can access:

- Health plans that deliver cost savings and predictability
- Voluntary and ancillary benefits (dental, vision, life, disability, legal, critical illness, accident, and more)
- Economies of scale that reduce costs and expand options not typically available to smaller employers

As an EANE member, you now have access to this innovative program — designed to help you control costs, enhance your benefits package, and better support your employees.

**Member Advantage
Benefits Cooperative
is an alternative
solution for EANE
members looking for a
change.**
