

Introducing Our **NEW** Strategic Leadership Peer Group

Develop the Leaders Your Organization Will Need Tomorrow

Designed for high-potential managers on the path toward senior leadership, this exclusive peer group helps participants expand their strategic thinking, strengthen executive presence, and gain the enterprise perspective needed to lead at the next level.

Participants Will:

- Think beyond their department with an enterprise-wide perspective
- Strengthen strategic decision-making skills
- Build executive presence and influence
- Learn alongside other high-potential leaders
- Expand their professional network
- Prepare for greater leadership responsibility
